Fluent

## Verification

### Personality Check

Validating communication-, personal- and social skills.

### Technical Check

Skills evaluation by Leads/Experts/Seniors following proven interview patterns. If defined by you, check skills against detailed skills-matrix.

### Alignment Check

Ensuring short-/mid-/long-term plans of the candidate match the specific requirements.

### Reference Check

Double-checking our results with previous peers, superiors and customers.

### Project Check

Introducing the candidate to the exiting team and do deep dives on the specific situation.

### Customer Check

Interviews with business- and technical staff of your teams.

## <> Recent Projects

### Software developer/Software architect

#### 2020 Present

**Lorem Ipsum** is simply dummy text of the printing and typesetting industry. Lorem Ipsum has been the industry's standard dummy text ever since the 1500s, when an unknown printer took a galley of type and scrambled it to make a type specimen book. It has survived not only five centuries, but also the leap into electronic typesetting, remaining essentially unchanged. It was popularised in the 1960s with the release of Letraset sheets containing Lorem Ipsum passages, and more recently with desktop publishing software like Aldus PageMaker including versions of Lorem Ipsum.
